To whom it may concern,

It is my pleasure to write this letter of recommendation on behalf of Hans Benn with Brokerfish. We have worked together for a few years now, where Hans has provided myself and the team at Empire Flippers with excellent support and services as our insurance broker.

He has helped us in regards to obtaining competitive quotes and comparing alternatives, assistance with claims and resolving issues if any, and general administration of our policy. Many times I've had to ask Hans for specific insight in terms of understanding our policy, and he's been patient and thorough in providing guidance and/or explanation.

Along with his deep knowledge & expertise of the insurance world, Hans has been a real joy to work with. He's always positive, reliable, and responsive to discussions that arise.

Without a doubt, I recommend Hans for any future healthcare business.

Please feel free to contact me should you like to discuss Hans's qualifications and experience further.

All the best,

Marlene Pitocco
